

## **Center Maryland / OpinionWorks Statewide Voter Survey**

**Question: Would you say things in Maryland are heading in the right direction or are they off on the wrong track?**

The Center Maryland / OpinionWorks Statewide Voter Survey was conducted August 13 through August 18, 2010. The telephone survey questioned 600 likely General Election voters statewide, and has a margin of error of 4 percentage points.

The results from the previous question are limited only to the 551 likely voters who said they are certain or probable to vote in the November general election. It has a margin of error of 4.2 percentage points.
